Mike –

Aldicarb Submissions from AgLogic:

Ex. 5 Deliberative Process (DP)

With regard to the PRIA dates, though the submission came in and was received by the agency on **February 14, 2019**, an initial delay at the front end which required “recoding” caused the application to reach RD only on **April 11th**. Per OPPIN, the full payment was received by the Agency only on **April 2, 2019**. The current PRIA date is **July 15, 2020**.

Let me know if you have questions.
